If the School wishes to migrate existing fee records into Skoola, provide the following in Excel/CSV format:

☐ Student Name and ID linked to each fee record.

☐ Fee Category (e.g., Tuition, Feeding, Transport, PTA Levy).

☐ Amount Billed per student per term.

☐ Amount Already Paid and outstanding balance.

☐ Payment dates and methods (cash, bank transfer, mobile money).

PHASE 6

POST-SETUP VERIFICATION & SIGN-OFF

After Decorum IT Solutions completes portal setup and data import, the School administrator must verify

the following before activating the portal for staff and students:

- ☐ All student records imported correctly (spot-check at least 10 records).
 - ☐ All staff accounts created and login credentials distributed.
 - ☐ Class/Grade structure and subject assignments verified.
 - ☐ School logo and branding correctly displayed on report cards and dashboard.
 - ☐ Administrator can successfully add a new student and record attendance.
 - ☐ SMS/Email notification test sent and received successfully.
-

ADMINISTRATOR SIGN-OFF

I confirm that I have reviewed the imported data, tested the system functionalities, and approve the activation of the Skoola portal for our school.
