Official Operational Policy | Version 2026.1

REFUND & SUBSCRIPTION CANCELLATION POLICY

Effective Date: June 25, 2026

This Refund & Cancellation Policy ("Policy") outlines the rules governing the cancelation of subscriptions, billing adjustments, and refund options for the Skoola School Management platform. The software is owned by Mr. Oheneba Michael Baah and operated under Decorum IT Solutions.

By subscribing to Skoola or participating in its Pilot Program, the School ("Client") agrees to be bound by the terms and structures defined herein.

SECTION 1

SUBSCRIPTION CANCELLATION TERMS

1.1 NOTICE PERIOD: The Client may cancel their Skoola subscription at any time. To prevent renewal and subsequent billing, the Client must provide a minimum of thirty (30) days written notice of cancellation to Decorum IT Solutions via email at info@decorumit.com or billing@skoola.com.

1.2 EFFECTIVE DATE OF CANCELLATION: Cancellations submitted mid-billing cycle will become effective at the end of the current paid billing period. The Client will retain full administrative access to the Skoola portal until the active period expires.

1.3 RECURRING SUBSCRIPTIONS: Unless cancelled in writing according to Section 1.1, subscriptions will automatically renew for subsequent terms (monthly, termly, or annually depending on plan structure).

SECTION 2

REFUND ELIGIBILITY RULES

2.1 PILOT PROGRAM EXCLUSION: Fees paid under the 3-Month Pilot Program are non-refundable. The Pilot Program is structured to allow schools to test and evaluate the software with specialized support, and resources allocated during this setup phase are fully consumed upon account initialization.

2.2 STANDARD FEES: All subscription payments (monthly, termly, and annual) are non-refundable. Decorum IT Solutions does not offer partial refunds or pro-rated adjustments for unused days in a cancelled billing cycle.

2.3 EXCEPTIONAL CIRCUMSTANCES: Pro-rata adjustments or refund credits may be issued solely at the discretion of the software proprietor, Mr. Oheneba Michael Baah, under documented scenarios of prolonged platform inaccessibility exceeding the SLA downtime limit. Any such adjustment must be approved in writing.

SECTION 3

ACCOUNT SUSPENSION FOR NON-PAYMENT

3.1 DUE DATE: Subscription invoices must be paid within seven (7) business days of issuance. Late payments are subject to interest and administrative follow-up.

3.2 GRACE PERIOD & SUSPENSION: If subscription fees remain unpaid for more than fourteen (14) days past the due date, Decorum IT Solutions reserves the right to suspend Client portal access,

restricting both administrator and staff access.

3.3 REACTIVATION FEE: Suspended portals may require a standard reactivation fee of GHS 200, alongside full payment of outstanding arrears, to restore platform services.

SECTION 4

DATA PORTABILITY & EXTRACTION

4.1 EXTRACTION PERIOD: Upon cancellation notice, the Client has a grace period of thirty (30) calendar days from the effective cancellation date to download and extract their operational data.

4.2 DATA FORMATS: Standard academic data, including student profiles, teacher lists, grades, and fee histories, can be downloaded by the administrator in Microsoft Excel (.xlsx) or CSV format directly from the Skoola interface.

4.3 CUSTOM MIGRATION ASSISTANCE: If the Client requires Decorum IT Solutions to compile a custom relational SQL database backup or export, such assistance will be billed as professional IT services at a rate agreed upon in writing.

SECTION 5

DATA PURGING & ACCOUNT DELETION

5.1 PERMANENT DELETION: Thirty (30) days after the effective date of cancellation, Decorum IT Solutions will permanently delete and purge all school records, student databases, grades, and associated media files from the primary live servers.

5.2 BACKUP RETENTION: Encrypted off-site database backups containing the school's historical records will be fully overwritten and cleared within sixty (60) days following account termination, in compliance with standard disaster recovery cycles.

5.3 NO RECOVERY: Once data has been purged under Section 5.1 and 5.2, it is completely unrecoverable. Decorum IT Solutions accepts no liability for loss of historical school records resulting from cancellation.

SECTION 6

POLICY AMENDMENTS

6.1 Decorum IT Solutions reserves the right to amend this Policy. Notice of any updates will be provided via the admin dashboard or emailed directly to the primary school administrator thirty (30) days before the changes take effect.

EXECUTION & SIGNATURES

By signing below, both parties acknowledge that they have read, understood, and agreed to the refund limitations, cancellation rules, and data handling terms outlined in this policy.
