TERMS OF SERVICE & GENERAL AGREEMENT

Last Updated: June 25, 2026

Welcome to Skoola, a role-based SaaS school management platform designed and owned by Mr. Oheneba Michael Baah and published by Decorum IT Solutions (hereinafter referred to as the "Service Provider").

These Terms of Service (the "Terms") constitute a legally binding agreement between the educational institution contracting our services (the "Client" or "School") and the Service Provider. By registering, accessing, or using Skoola, the School, its employees, agents, students, and parents agree to be bound by these Terms.

SECTION 1

SCOPE OF SERVICE & ACCOUNTS

1.1 Skoola is a cloud-based school management portal that enables role-based workflows for school administrators, teachers, students, and parents. The specific portal is provisioned via a customized school subdomain (e.g., schoolname.skoola.com).

1.2 LICENSE GRANT: Subject to compliance with these Terms and payment of the subscription fees, the Service Provider grants the School a limited, non-exclusive, non-transferable, revocable license to access and use the platform solely for internal administrative and academic activities.

1.3 The School's administrator accounts are responsible for establishing user credentials and profiles for teachers, students, and parents. The School represents that it has authorized all registered accounts.

SECTION 2

ACCOUNT SECURITY & PROHIBITED ACTIVITIES

2.1 SECURITY RESPONSIBILITY: Users are solely responsible for preserving the confidentiality of their passwords and credentials. The School agrees to assume full responsibility for all activities occurring under accounts created on its subdomain.

2.2 PROHIBITED ACTIONS: The School and its end users shall not: (a) reverse-engineer, decompile, duplicate, or translate the source code or proprietary design systems of Skoola; (b) share account credentials with external parties; (c) execute automated scraping tools, scripts, or spiders; or (d) upload malicious software or code onto the Platform.

2.3 Decorum IT Solutions reserves the right to immediately suspend any individual account that violates these conditions or threatens platform-wide data security.

SECTION 3

SUBSCRIPTION TERMS & FINANCIAL OBLIGATIONS

3.1 ANNUAL PLAN: The platform is licensed on an annual subscription basis. Active licenses, cloud database hosting, and technical support require renewal every twelve (12) months.

3.2 PILOT IMPLEMENTATION: In accordance with the Pilot Program Agreement, new schools enter a 3-month pilot program. Setup requires a minimum fifty percent (50%) upfront payment. The final fifty percent (50%) balance must be cleared by the end of the 3-month pilot.

3.3 LATE PAYMENTS: Failure to settle invoices by due dates will trigger automatic billing notifications. Outstanding balances remaining unpaid after designated deadlines will lead to temporary account suspension.

SECTION 4

SYSTEM UPTIME, SLA & MAINTENANCE

4.1 UPTIME TARGET: Decorum IT Solutions targets a ninety-nine point five percent (99.5%) system uptime for Skoola services during normal school hours.

4.2 SCHEDULED MAINTENANCE: Routine server maintenance, database optimization, and feature updates will be scheduled during off-peak hours (usually between 12:00 AM and 4:00 AM GMT) to avoid disrupting school activities. Notification will be posted on the admin portal for major outages.

4.3 SLA EXCLUSIONS: Uptime calculations exclude interruptions caused by: (a) national internet network disruptions in Ghana; (b) failures of the School's local networks or hardware; or (c) force majeure circumstances (e.g., power grid failure, natural disasters).

SECTION 5

INTELLECTUAL PROPERTY OWNERSHIP

5.1 PROPRIETARY RIGHTS: All code, user interfaces, branding assets, logos, graphic elements, compiled databases, and structural designs associated with Skoola are owned solely and exclusively by Mr. Oheneba Michael Baah and Decorum IT Solutions.

5.2 TRADEMARK USE: The School agrees not to display or use the 'Skoola' trademarks, logos, or Decorum IT Solutions branding elements without prior written consent from the Service Provider.

SECTION 6

CLIENT DATA OWNERSHIP & RIGHTS

6.1 CLIENT DATA: The School retains all rights, title, and ownership of academic records, grades, student profiles, payroll documents, and student data entered onto the Skoola platform.

6.2 PROCESSING LICENSE: The School grants Decorum IT Solutions a non-exclusive, worldwide, royalty-free license to host, transmit, copy, format, and display the Client Data strictly to provide, maintain, and support the subscription services.

6.3 CONSENTS: The School is solely responsible for ensuring that all necessary student and parental consents are secured in compliance with the Ghana Data Protection Act 2012 before data upload.

SECTION 7

SUSPENSION, GRACE PERIOD, & PERMANENT DELETION

7.1 SUSPENSION: If the second installment payment is missed or annual renewal fees are unpaid, access to the School subdomain will be suspended.

7.2 GRACE PERIOD: The Service Provider will keep the School database safe and backed up for a grace period of thirty (30) calendar days from the date of suspension.

7.3 PERMANENT DELETION: If the School fails to clear outstanding invoices or reach a written

compromise within the 30-day grace period, Decorum IT Solutions reserves the right to terminate the account permanently and wipe all databases, backups, and configurations without liability.

SECTION 8

WARRANTY DISCLAIMER

8.1 THE SOFTWARE IS PROVIDED ON AN 'AS IS' AND 'AS AVAILABLE' BASIS. THE SERVICE PROVIDER DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.

8.2 We do not warrant that the Platform will be entirely free of errors or that access will be completely uninterrupted. The School assumes all risks for its administrative calculations and reports.

SECTION 9

LIMITATION OF LIABILITY & INDEMNITY

9.1 LIMITATION: In no event shall the Service Provider or its proprietor, Mr. Oheneba Michael Baah, be liable for any indirect, special, punitive, exemplary, or consequential damages (including loss of data or school operational interruptions).

9.2 CAP: The Service Provider's maximum aggregate financial liability under this Agreement is strictly limited to the actual subscription fees paid by the School during the twelve (12) months preceding the claim.

9.3 INDEMNIFICATION: The School agrees to defend, indemnify, and hold harmless the Service Provider from any claims, losses, or legal liabilities arising from the School's failure to verify grading data, regulatory non-compliance, or privacy violations by school administrators.

SECTION 10

GOVERNING LAW & DISPUTE RESOLUTION

10.1 GOVERNING LAW: These Terms and any dispute arising out of them shall be governed by, interpreted, and enforced in accordance with the laws of the Republic of Ghana.

10.2 ARBITRATION: Any controversy, claim, or dispute arising under these Terms shall first be submitted to good-faith mediation. If mediation fails, it shall be resolved by binding arbitration under the Alternative Dispute Resolution Act, 2010 (Act 798) of Ghana, to be conducted in Accra.

10.3 ENTIRE AGREEMENT: These Terms, together with the Pilot Program Agreement and Privacy Policy, form the complete and exclusive agreement between the parties regarding Skoola usage.
